## Wooden Boat Assn Qld Committee

- **President** Jim Jones 0408 443 291
- **Vice-President** Ian Mortleman
- **Secretary** Trevor Green 0409 696 679
- **M'ship Secretary** Trevor Green 0409 696 679
- **Treasurer** Wayne Aberdeen 0418 752 523
- **Webmaster** John Tennock
- **Web content/ Publicity & Speaker Co-ord**  
Malcolm Hodgen 0400 075 931
- **Committee** Ian Trail, Ian Primrose (Log Editor),  
Jon Elcock, Doug Graham
- **Messabout Co-ordinator**  
Darrell Spiers 3298 5394
- **Community Liaison Officer** Ian Mortleman  
0413 457 656 or 07 3390 6977
- **Merchandise** Leo Sines
- **Librarian** Alex Malcolm 0439 064 929

## Regular Meetings and Activities

Meetings are held at 7.00 pm on the second Tuesday of the month \* following a BBQ at 6.00pm. Bring along your plans, projects and problems for group attention. Don't forget something for **SHOW, TELL & ASK**. The Committee meeting is held at 4:00 pm prior to the BBQ meeting.

**\*Until further Notice, Meetings are temporarily held at  
Wynnum Manly Men's Shed  
59 Granada St, Wynnum.**

Messabouts are held monthly. For details of these and other wooden boat events, refer to the calendar of events later in this newsletter

**MEETINGS**  
**See inside for details**  
**Messabouts are being run**

#### WBAQ Disclaimer

**Opinions and Advice:** Opinions and advice expressed in "The Log" and the Association's meetings are those of the individual originator's only. The Editor and the Association's Committee do not necessarily endorse views expressed at such forums.

**Participation in Events:** Participation in events organised by the Association may involve certain risks inherently associated with the perils of the sea or weather which include the possibility of damage to, or loss of, vessels and equipment, as well as injury or death to persons. Such risks will require the exercise of the prior judgment of members on behalf of themselves, their guests and invitees, whether to commence or continue any particular activity irrespective of information supplied by the Association, its Committee or officers. The Association, its Committee and officers accept no responsibility for damage, loss, injury or death arising from these risks.

### Editor's Note

Your contributions to the LOG are sought and welcomed. Articles in MS word with JPEG photos are the preferred format. Email if possible. The Log is generally finalised the day after the monthly meeting. Editor Ian Primrose

## FROM THE CAPTAIN'S CABIN

*Jim Jones, President*

The Year 2020 has come and gone. One thing 2020 did show us is how to be flexible and willing to adopt new methods in the way we operate the Association and indeed in our daily lives.

This time last year I doubt that anyone in the Association had heard of the word Covid nor of a video conferencing program called Zoom. Both have intruded into our lives. One, Covid, was, and still is, disrupting plans for holidays, wedding, funerals, visiting friends and relations and indeed just about everything we do outside our household. The other, Zoom, allowed family and friends, throughout the world, to connect with each other. Little did the Members of the Committee know that they would, within a couple of months, be using their computers, tablets or phones to hold our Monthly Committee Meetings.

Darrell Spiers convened a Planning meeting late in December to plan the **Messabout Calendar for 2021**. Preliminary details have been published in This LOG and in our Calendar at <http://www.woodenboat.org.au/index.php/calendar9> and on our Facebook Page at <https://www.facebook.com/WoodenBoatAssociationOfQueensland>.

Besides the weather, the Calendar is also dependent on any Covid restrictions that may arise during the year as it is with any of the Association's activities. Darrell has endeavoured to cater for all the different types of boats that our Members have. He has also included new locations for some Messabouts. I would like to thank Dennis Smith and Lester Searle for their input into this year's Calendar.

**Argyle St** is still work in progress. I have asked the BCC to convene a meeting between the Council and all the proposed Licence Holders to address some concerns that the Association and others have with the draft Licence Agreement. Meanwhile, Ian Primrose and Alex Malcolm have been busy developing safety and workshop procedures for Argyle St.

Ian Primrose and Ian Trail have managed to spend and

acquit the majority of the Gambling Fund Grant monies we received last year. They have ensured that the Members of the Association will have a fully equipped workshop to use as soon as we get approval for Argyle St.

**The update of the Rules** which has turned into a rewrite of the Rules, which the Committee have decided to call the Constitution, is now complete. I shall endeavour to have a copy emailed to all our Members this week. This will enable you, as a Member, to review the new Constitution before the planned vote in March.

The migration of **our Web page** to a newly designed page is progressing well. We have no time frame for its completion as John Tennock is working on it between his other commitments. One addition is the creation of an online Membership Form for new Member Applications and Membership renewals. If you have any high resolution photos that represent our beautiful waterways, or of your boat building or of our Messabouts, please email them to John as he has incorporated backdrops and banner displays in the new web page.

Our decision to cancel this **month's Members' meeting** was not too difficult. We had no idea if we would have been out of lock down by Monday night or having to remain in lock down for an extended period. As the majority of our Members are in the Senior demographic, we judged it prudent to cancel early.

Jim

## NEW MEMBERS *A hearty welcome to*

**Keith Mellis of Ormeau** – Keith is building an Ebihen 16, Designer Francois Vivier, from a kit. The rig is Bourcet Malet ( Lug Yawl )

**Bruce Drever of Sandy Beach 2456** – He has a Ross Lillistone 17ft Periwinkle ' Nomad '. Gaff-Headed Cat Rig - Small Jib set flying. Mercury 3.3hp Bruce heard about us when we attended at Yamba.

**Nomad**

The Wood Duck 14 Hybrid substitutes cedar strips for the standard plywood deck, while the stitch-and-glue hull and underbody is identical to the standard version. Thus it's a "hybrid" of a strip-planking and stitch-and-glue building techniques. Wood Duck Hybrids offer builders with more woodworking skill the opportunity to customize their kayaks with creative strip patterns and designs.

Length 14ft, Hull Wt 23.5kg, Beam 76cm ,Cockpit size 125 x 53 cm, Paddler's Wt 90-160kg

**MORE LAUNCHINGS FOR 2020**

**BRAVO / ZULU** Naval Flags meaning "Well Done"

**ANOTHER TWO 2020 LAUNCHINGS:**

**ROHAN WATT** missed the grand announcement for the launching of his Water-rat "Deb BAY 4" . He has a matched pair now and he says "The electric outboard is great; sure beats paddling" Belated CONGRATULATIONS, Rohan!

**DENNIS SMITH** After less than a month of building "*Dulcie*" a CLC Wood Duck Hybrid 14 kayak the 24th December was launching day. Dennis started building on the 24th November working on it after work and on weekends completing it on the 21st December. Timber used on the deck is silky oak, cedar strip and Quandong accent strips. The pattern on the sides is a linen look polyester material which was wet out like fiberglass after the fiberglass had been applied, the hull is 4mm marine ply. His first paddle was along the non-tidal side of the weir on the Pimpama River at Kirkin Rd where he paddled just past the bridge on Pimpama Jacobs Well Rd and back – a distance of almost 9km in 2.5hrs.

**About the Wood Duck**

*Dulcie* gets a workout on Wongi Waterholes – See below

**FIRST LAUNCHING FOR 2021**

**ROD RAMSAY** of Caloundra launched his Oughtred "Little Tern" – sometimes referred to as a "Willy Tern". Length 15'2" Beam: 5' 2" Mast: approx. 15ft Boom & spar: approx. 2.4m. Tan sail by Switch Sails. This was Rod's first building project and we were fortunate to see it in progress during a shed visit in October last year. Now it is time to sail!

## WEB-WATCH

*Go boating without getting wet!*

## Lug Sail Good Tack vs Bad Tack

6 minutes

<https://www.youtube.com/watch?v=i7Frmj6Hsnk&feature=share>

**Welsford 6-metre Whaler BELUGA** sailing from Cabbage Tree Creek to St Helena Island, Moreton Bay (and return), 29 December 2020. The forecast was 30 degrees celsius with a 10-12 knot north-easterly. It was sultry and calm in the morning, but it breezed up towards 15 knots in the afternoon, giving us 6-7 knots over the ground on a broad reach from the Coffee Pots back to Shorncliffe. The exciting sailing starts about 8:55. Length 14 ½ minutes

<https://www.youtube.com/watch?v=cfu8J676LLQ&feature=youtu.be>

And another by Tony Keyes

<https://www.youtube.com/watch?v=OBR3P6M1qDU>

**Building a West Greenland Kayak, Step by Step – a Skin on Frame – thanks Leo**

<https://www.youtube.com/watch?v=gLc8gunJqyk>

**A DAY ON THE TALL SHIP  
SOUTH PASSAGE**

**COME SAILING ON A TALL SHIP SOON**

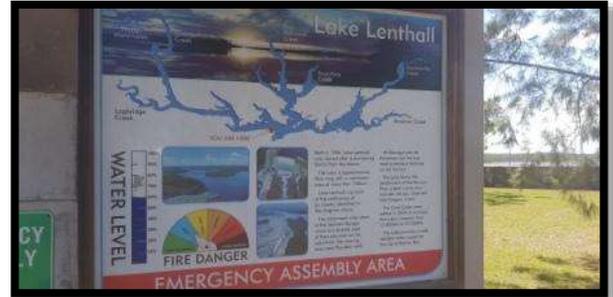

Tentatively set for Sunday 9<sup>th</sup> MAY for a day on the Bay on a Tall Ship Cost is \$80 p.p. Stay tuned for further information. Trevor Green, Secretary 0409 696 679

## REPORTS

**WONGI WATERHOLES TRIP**

*Story & Photos Dennis Smith*

A Private Adventure...

**Wongi Waterholes Campground** is around 25mins north of Maryborough approx 270km from the Gateway Bridge. The Lenthall Lake system, held back by a dam, supplies the Hervey Bay area with its water supply. With most people busy at this time of the year, I travelled solo. The campground has toilets and cold showers but there are hooks in the showers to hang hot shower bags or bucket

I recommend taking your own toilet paper as it was often in short supply or had none at all, Lucky I had plenty in the Caravan.

I finished building my Chesapeake Light Craft - Wood Duck 14 Hybrid kayak in time to take to Wongi water holes camping grounds. I arrived in time for lunch on Saturday 26th December and set up camp. There were 6 other camps set up in the camp grounds and over the week these campers left and others came in their place so it was a very quiet camp ground.

The water holes are only very short billabong type permanent waterholes surrounded by paper bark trees. The main forestry roads are corrugated and a little rough but there are many other tracks around and some lead to remote launching spots around the banks of Lake Lenthall. 4x4 is not required but is recommended. I launched the kayak most days for morning and afternoon paddles covering most of the lake over the 5 day stay.

- Reflects and practices the code and aims of the Association,
  - Is generous with his or her knowledge,
  - Willing to take on additional crew at Messabouts,
  - Willing to assist in organising events and / or hosting Messaboutss,
  - Willing to make boat/s available for display type events.
- The Award is made by popular vote by all members.
  - All classes of membership are eligible to vote
  - Voting is by is by secret ballot
  - Voting may be via written voting form placed in a secure box

**VOTE BY PLACING A FORM IN THE BOX AT THE FEBRUARY MEETING OR EMAIL YOUR NOMINATION TO Ian Primrose at [imprimrose@powerup.com.au](mailto:imprimrose@powerup.com.au)**

**THE MAN AND HIS BOAT(S)**

*Insert Your Name Here*

Your Story Wanted – Who, What, When, Why, How.  
See last month's Log for details

**Larry Loveday Award**

This Award is made in honour and memory of member- Larry Loveday who was a life member; highly respected and who made a significant contribution to the Association by his presence. Larry passed away in 2014. The first Award was made in 2015.

**Criteria for**

**Eligibility**

Members are to be encouraged to vote for the person they think is the most deserving considering all/some of the following guidelines:

- The member should be a regular attendee at meetings, Messabouts, regattas and events, least three years,

**THINK ABOUT THIS**

**Age 60 might be the new 40, but 9:00 pm is the new midnight.**

***"If your draft exceeds your depth you are most definitely aground"***

**WHAT HAPPENED AT THE LAST MEETING**

Ponder This... Ian Mortleman

**How accurate do you need to be when cutting stuff for a boat ? ...well:**

**Measure it with a Micrometer, mark it with a piece of chalk and cut it off with an Axe!**

**Glue with gap filling epoxy!@!!!**

Unfortunately, the meeting was cancelled. The three prior days were a directed lockdown encompassing the whole of the Greater Brisbane area and there was no certainty that it was going to be lifted. Additionally, with the more virulent UK virus in circulation, particularly on the Southside, the risk was too high. We had a brief taste of what the Victorians suffered!

A contribution from Ian Mortleman (don't blame me!)

**A rope walks into a bar. The bartender says "Get out. We don't serve ropes here." The rope goes out, twists himself up, rubs his hair into a mess, and tries again. "Aren't you that same rope that was here a few minutes ago?" says the bartender? "No." says the rope. "I'm...a frayed knot"**

**JUST FOR PUN 😊**

**My wife likes it when I blow air on her when she's hot, but honestly... I'm not a fan**

Now is not the right time to surround yourself with positive people.

I'll tell you a coronavirus joke now, but you'll have to wait two weeks to see if you got it.

I ran out of toilet paper and had to start using old newspapers. Times are rough.

## CALENDAR OF MESSABOUTS & EVENTS

### One day, weekend and week-long Messabouts and big events in 2021

**NOTE:** Due to the wide range of boat sizes and types, and relative seaworthiness, it always remains the Skipper's decision whether to participate or not. Aim to launch & depart from ramps by 0900 hrs unless otherwise advised. All week long events have a "Plan B" to be Wivenhoe Dam or Atkinson's Dam. For last minute information contact the nominated organiser (listed below) or a Messabout Committee member: Darrell Spiers 3298 5394 Jim Jones 0408 443 291

**IT IS STRONGLY RECOMMENDED THAT MEMBERS CARRY PUBLIC LIABILITY INSURANCE TO \$10M WHEN PARTICIPATING IN MESSABOUTS (OR AT ALL TIMES WHEN USING YOUR BOAT FOR THAT MATTER) YOU ARE THE SKIPPER – YOU ARE RESPONSIBLE!**

*If you are intending to go to a Messabout, Please advise the Host in case there are any last-minute changes (due to weather or other unavoidable changes).*

Type of Event: P= Paddle, R= Row, S= Sail, M= Motor BB Big Boats Brackets ( ) indicate possible but not reco'md
